

25 YEAR RE-REVIEW

25 JUL 1959

STAT

It was certainly nice to see you again
and I enjoyed our visit very much. It is too
bad that meetings of old friends have to be
dictated by schedules, but I guess it is our
own fault. I was particularly glad for my
son, Chuck, to have the opportunity to meet you.

With kindest regards to you and your family,

Sincerely,

SIGNED
